SANITARIAN'S SUMMARY OF INSPECTION

This department is required to perform an inspection thirty (30) days after a facility becomes licensed. At the time of the inspection, the cold holding temperatures appeared to be below 41 degrees F. Food had begun to be prepared but had not reached its final cooking temperature. The food appeared to be stored properly in the refrigeration unit. The facility appeared very clean and maintained at the time of inspection.

****DISCLAIMER:** This summary reflects only the conditions found on the date of the inspection and does not necessarily reflect conditions at all times. Inspection reports can be viewed in their entirety at the Ross County Health District's Environmental Health Office, 475 Western Ave., Suite 3A, Chillicothe, Ohio.
