SANITARIAN'S SUMMARY OF INSPECTION

A complaint was reported to our office claiming the operation is selling expired lunchmeat and dairy products. An inspection was conducted. Deli meats appeared to be properly dated after opening and did not appear to be expired. A few packages of yogurt were observed with expired dates. An employee immediately removed and discarded the expired yogurt. The operation's standard procedure is to remove food from sale prior to expiration.

****DISCLAIMER:** *This summary reflects only the conditions found on the date of the inspection and does not necessarily reflect conditions at all times. Inspection reports can be viewed in their entirety at the Ross County Health District's Environmental Health Office, 475 Western Ave., Suite 3A, Chillicothe, Ohio.*
