

Ross County Health District Food Service Inspection Summary

Name of Establishment: Golden Corral
Address: 1660 North Bridge Street, Chillicothe
Date of Inspection: July 8, 2010
Reason for Inspection: Complaint
Sanitarian Performing Inspection: Kelly Dennis, R.S.

Violation(s) / Comment(s) (Chapter 3717-1 OAC violations checked)

Complaint reported to our office that the operation was cleaning dishes with cold water. Hot water is available for warewashing but booster heater is not operating. Parts have been ordered to repair booster heater for dishtank. The dish machine is also set up to use Chlorine sanitizer to sanitize dishes in case if hot water does not reach sanitation temperature. Chlorine observed at 100ppm chlorine in dish tank at time of inspection. Operation will use chlorine sanitizer until booster heater is repaired.

Operation has also made a good effort at correcting violations noted on the previous inspection. Meat room, prep areas, equipment and kitchen appears to be cleaned more frequently to prevent accumulation of debris. Food stored to protect from cross contamination. Cooks have been supplied with thin probed digital food thermometers to monitor cooking temps. Operation has been replacing damaged equipment with new equipment.

****DISCLAIMER:** This summary reflects only the conditions found on the date of the inspection and does not necessarily reflect conditions at all times. Inspection reports can be viewed in their entirety at the Ross County Health District's Environmental Health Office, 475 Western Ave., Suite 3A, Chillicothe, Ohio.
