

Ross County Health District Food Service Inspection Summary

Name of Establishment: Ross County Senior Center
Address: 201 1/2 East Main Street, Bainbridge
Date of Inspection: February 12, 2010
Reason for Inspection: Standard & Critical Control Point Inspection
Sanitarian Performing Inspection: Andrew L. Gedeon, R.S.

Violation(s) / Comment(s) (Chapter 3717-1 OAC violations checked)

1)Observed a residential style oven/stove and refrigerator used in the facility. Once these units are removed, they must be replaced with commercial grade units from an approved testing agency.
3717-1-04.1 Equipment, Utensils, and Linens: Design and Construction

(KK) Food equipment - certification and classification.

(1) Except as provided in paragraph (KK)(2) of this rule, food equipment that is acceptable for use in a food service operation or retail food establishment shall be approved by a recognized food equipment testing agency.

SUMMARY

Cold holding temperatures appeared to be in the proper range of below 41 degrees F. The receiving temperatures appeared to be adequate at the time of inspection. The hot water appeared to be adequate in the handwash and three compartment sinks. Hair restraints and single use gloves were worn properly at the time of inspection.

No critical violations observed at the time of inspection.

****DISCLAIMER:** *This summary reflects only the conditions found on the date of the inspection and does not necessarily reflect conditions at all times. Inspection reports can be viewed in their entirety at the Ross County Health District's Environmental Health Office, 475 Western Ave., Suite 3A, Chillicothe, Ohio.*
